CLASS

Freshman Year

Like all new Freshman at a new high school, we too were a bit scared to start 9th grade at Westwood in 1977 as "the scum of the earth", as Mr. Dieterle had always told us, but like every other Freshman class, we found that it wasn't that bad after all.

When Homecoming rolled around in our Freshman year, our class pulled together to win the PEP jug, showing just how powerful a Freshman class can be. We were the first class in the history of WHS to claim such an honor as freshman. Something to be proud of!

In February of 1978, we chose the first sweetheart couple for the class of '81 during the Winter Carnival. They were Dave Lakanen and Lori Kjellman. Who would have guessed that three years later the same couple would be chosen again as Homecoming King and Queen?

As our Freshman year came to a close, Westwood held its first "Spring Thing", the start of another tradition at WHS, just as the Winter Carnival has become. We all have a lot of good and a few bad memories of our Freshman year, but we all made many good and lasting friends, friends that year, we also lost a very dear friend, Kenneth Eckloff.

Sophomore Year

As Sophomores, we had climbed one step of the ladder and gained some authority over the next class of new Freshmen.

Though we lost the pep jug to the senior class during Homecoming Week, our class continued the spirit that we were now known for, by giving the seniors a run for their money in the girls' flag football game. The class of '81 girls made it to the final game, but after a long, hard game fell to the class of '79. But we did not fall easily.

The 1979 Winter Carnival was cancelled when we were Sophomores because of a snow day, but the basketball game and the dance went on as planned with Lee Hamari and Robin Lawry as our Sophomore Sweetheart couple.

Our Spring Thing was also called off due to a la of funds that year, but all in all our Sophomore y was a success and we were ready to beco Juniors. There are many things that we will so forget about our first two years at Westwood, but us always remember our good friend Bill Wood, w we lost when we were Sophomores.

Junior Year

As we entered our Junior year at Westwood, found that many things were changing very quick We were now in the Junior-Senior hall, taking hard semester long classes and preparing for the futu The year started out on the right foot as the class '81 once again claimed the pep jug dur Homecoming Week. Many feel that we should ha also claimed first prize in the hall decorating conte but we had to settle for last place after being acc ed of copying a hall theme from a previous year.

As Valentine's Day rolled around, the honor Sweetheart was bestowed on Dave Deloria a Jackie Semmons. Winter Carnival was another su cess, even though our time outside had be shortened by Mr. Uitto and Mr. Bobula.

HISTORY

When our Junior year was coming to a close, any of us found that it was time to start preparing r college by taking the ACT test. Time was passing uickly now and soon we would be Seniors. We were oving up in the world, for soon it was graduation me. We had waited our turn and finally it was time take charge. In June of 1980, many of the Junior rls dressed in their finest to hold the hoops and ish the class of 1980 farewell.

Our Junior year was definitely a year to be membered. It was a year of hard classes, lots of mework and papers, and quite a few parties. As any of us will remember, the "Rez" and Black ver Falls were very popular places.

enior Year

September 1980 and we're Seniors at last. We ad traveled a long way to get there, but we had ade it. Finally there was no one above us, and ere were three classes below us. Had we really oked that small when we were Freshman?

Sandy Hebert had taken over as Student Council resident for the Class of '81 with Cathy elongchamp as President, Corinne Rintamaki as Vice-President, Cheryl Frederickson as Treasurer, and Lori Kjellman as Secretary.

When Homecoming rolled around for the last time for us, our class once again showed its spirit by winning the "Pep Jug" for the third and final time. As seniors, we also had the hard choice of choosing the Homecoming King and Queen. After much thought by the student body, Dave Lakanen and Lori Kjellman were crowned. Their court consisted of Dave Deloria and Sue Anderson, Lee Hamari and Amy Luke, and Jim Scott and Judy Baldini. Though we lost our Homecoming game to Iron Mountain, everyone had a good time at the dance with "High Street" as our band.

Before the fall of 1980 turned in to winter, our boys' cross-country team had won the U.P. Championship and the girls' basketball team won the District Championship and achieved the best record in the history of Westwood girls' basketball teams with 17 wins and 5 losses. As winter came, Westwood held on to its reputation of having a fine boys' basketball team also.

Now that the reality of graduation was beginning to hit, many people were busy applying to colleges and for scholarships, and deciding on the future careers. We only had a half of a year of high school left. Time was going by faster than expected. As winter was slowly leaving us and spring came, we were all excited for graduation. Our last Prom had gone by, and we had our Senior Banquet and the day consisted of a few classes and graduation practice. Only a few more days and another chapter of our lives would be over.

On the night of graduation there was a mixture of emotions. As we got ready, there was much laughter and tears, but as the ceremony started, everyone was quiet, deep in their own thoughts. It seemed like just yesterday that we were Freshman looking forward to a new school.

CONNIE DOBSON

MISS ISHPEMING

Connie Dobson was crowned the new Miss Ishpeming in early November. As her talent, Connie choreographed her own dance routine to the song "By Way of Loves Express." Nina Peronto was third runner-up with an original vertriloquism act. As second runner-up Lori Dalpra played a piano solo "Fur Elise". Tammy Arsenault was first runner-up singing "Don't Cry Out Loud" as her talent. We'd like to give a big round of applause for their accomplishments.

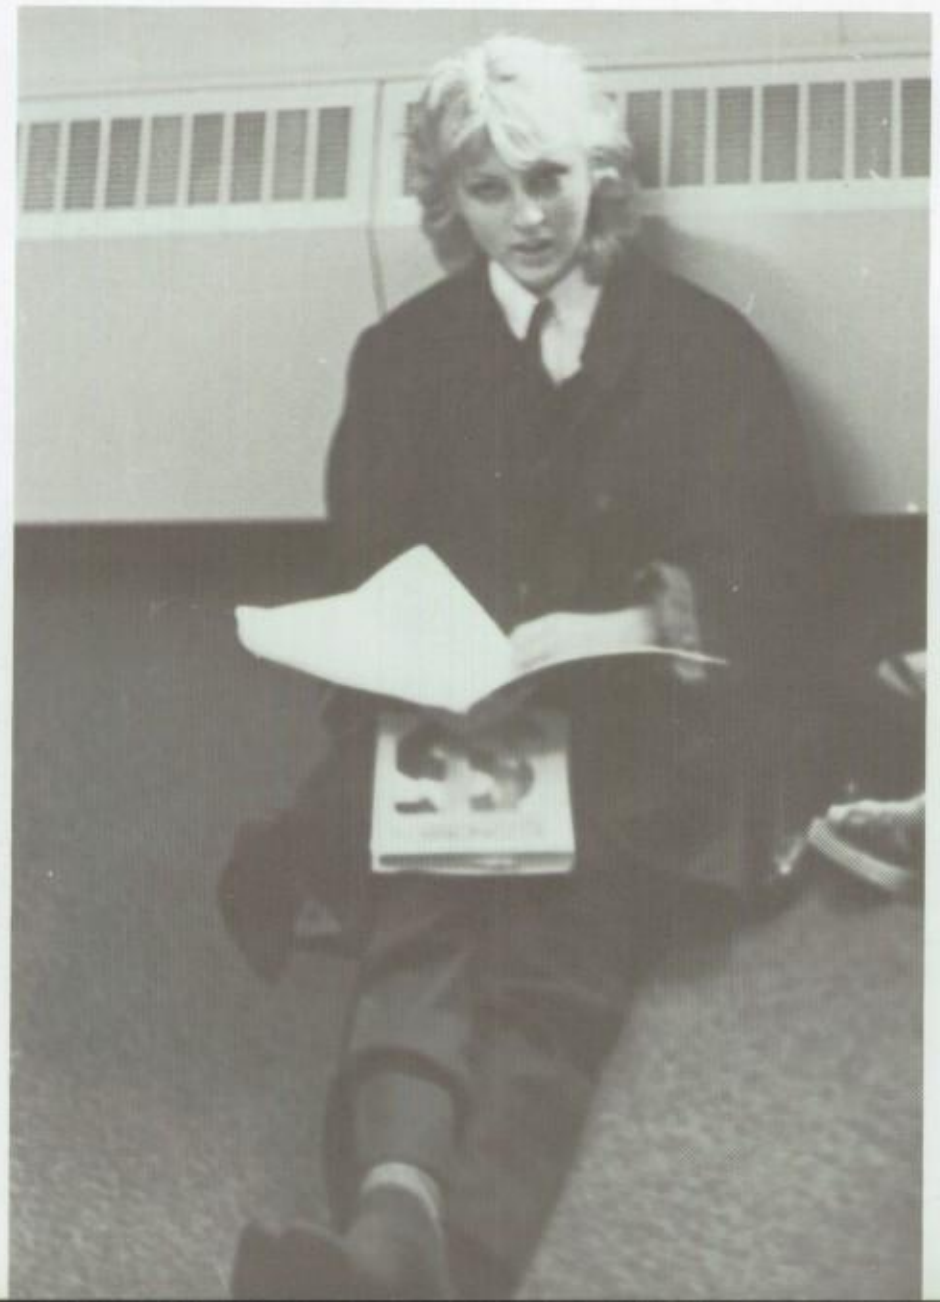
GONG SHOW

HALLOWEEN DAY
A few students were in the spirit of Halloween his year. Though not as many students dressed up as last year, there proved to be some unique outfits. Senior Barry Frisk was a long-armed google for the alloween of 1980. Heidi Butler and Lori Basto, both very spirited ophomores, dressed up as a future Dolly Parton and Tony the Tiger.

A STAR IS BORN
A new voice was discovered at the 1980 annual Christmas "Gong Show." Sandy Carne sang, "The Rose" as Bette Midler. Twenty five dollars and free dance tickets were awarded to the best act which was awarded to "Bette Midler and the Rosebuds." There was a good variety of acts and it turned out to be an entertaining hour. "The Skimmerettes," Kathy Swanson and Norma Fegan, won ten dollars and a dirty sock for the worst act.

HOMECOMING



The 1980 Homecoming was a complete success. The student did many activities such as dressing up for the different dress-up days, girls' flag football, hall decorations, and class races. The Seniors won the Pep Jug for the most spirited class. At the football game, our Homecoming Royalty was introduced as follows:

King and Queen — Dave Lakanen and Lori Kjellman
Court — Sue Anderson and Dave Deloria
Amy Luke and Lee Hamari
Judy Baldini and Jim Scott

The Patriots were defeated by the Mountaineers, 36-7, but everyone enjoyed themselves at the dance after!

Westwood Drama Department presented three plays during the 1980-81 season. "A Skeleton Walks" was the first play of the season, the suspense comedy delighted everyone and set the tone for the rest of the plays during the year.

The children enjoyed their special play, "King Midas and the Golden Touch", and learned from the message it gave: Don't be greedy!

Music fans had their treat with the musical comedy, "Bye-Bye Birdie" This exciting musical had many humorous moments and left the audience with a good feeling.

Overall the 1980-81 season set the standard for future plays of the same caliber at Westwood High School.

WINTER CARNIVAL

This year, as every year, Winter Carnival was a time to unwind from the same old routine of school and have some fun. It is a tradition at Westwood to have dress-up days throughout the whole Winter Carnival week. This year we had dress-up day, wild west day, toga day, T-shirt and jeans day, and of course, red, white, and blue day. Just before the start of Winter Carnival week, each individual class got together to pick their sweethearts.

When Friday rolled around, we had our annual Teachers vs. Seniors games. This year the teachers were victorious in both the boys' basketball game and in the girls' volleyball game.

That night the Westwood-Iron Mountain game was won by us with a score of 61-52. The class Sweethearts were introduced during half-time of the game and there was a dance honoring them afterwards.

All in all, the Winter Carnival week was another success and a good time for everyone.

VICA

VICA is in its 8th year of existence, and is a group of vocational students. Competition with other schools begins on March 28 at the Northern Skill Center in such areas as: autos, building trades, electrical and welding. A student has approximately 4 hours to work on a project. The first three places in regional competition will go on to compete at the state level. Last year and this year the competition will be held at Ferris College, and the national competition will be at Atlanta, Georgia. Mr. Naki is the chapter advisor and overall coordinator of VICA. Other advisors include Mr. Turino, Mr. Praznik and Mr. Thorton. Mr. Maki said: "Based on the past years, Westwood will probably do pretty well on the regional level and again at the state level."

I hope you enjoy this year's yearbook. It was a great team effort to put together a yearbook Westwood will remember for a long time. I'd like to thank all of the yearbook staffers who put their time and creative efforts into the 1981 New Horizons. Their help made the work easier and the book much more fun to collect. Mr. Eppert deserves special thanks for all the time he has sacrificed toward Yearbooks at Westwood. Without his guidance and occasional pestering we never could have made it through the year sanely. Special thanks should also go to the art department for supplies and general overall picture advice, to Tim Fegan for dark room voodoo, Lisa Wiljanen for the art work on the cover, Patty Antilla for art work here and there, Mr. Uitto for assistance during the year and for help in getting our camera.

I hope you enjoy your annual and I know that the tradition of yearbook excellence will carry on through the years!

COLORGUARD AND CHORUS

The Westwood High School Chorus under the direction of Erik Bergh meets every 5th hour. During this time period, they practice scales, sight read music and often do diaphragm exercises. Samples of the music the Chorus sing are "Amazing Grace" and "Just the Way You Are." The Flag Corp performed their routine at home football games this past season. The members of the corp are senior Lynn Snell, Sandy Carne, Joleyn Moyle, Carolyn Mankee, Marty Hollapa, and Lori Gustafson. Sandy, Joleyn, Marty and Lori competed in Escanaba at the first annual upper peninsula Flag Corps competition in which they placed fourth. Good Going!

BAND

The Westwood High School Band is dominated mostly by freshmen though there are four seniors, nine juniors, and thirteen sophomores. Director Erik Bergh and his band received several good ratings. Throughout the year, the band worked quite a bit on sight reading and practiced different scales.

The Pep Band practiced many hours playing such pieces as "Theme from Dallas", and the "Pina Colada Song" for the Varsity Boys' Basketball games and Varsity Football games. They played as the Pep Band at the NMU-MTU basketball game on February 10. Good Job!

NATIONAL WINNERS

TRI-SCHOOL BOEC

The Westwood BOEC Club had a very successful year. Many students sold candy bars throughout the year and although everyone was sick of Reese cups they helped to pay the student's way to Detroit and later to San Antonio. Besides competing and learning about business, the students had many chances to meet people and to have a lot of fun on the trips.

The six lucky girls who got to go to Nationals in San Antonio were Lisa Wolf, Sara Lahtela, (her third year in a row, a Westwood record!) , Connie Dobson, Karen Nelson, Sheryl Simula, and Kathy Korpi. Laura White qualified to go, but unfortunately came down with the chicken pocks. While in Texas the girls got to see the zoo, Sunken Gardens, the Alamo and many other sites. At the awards assembly, Westwood did well with Sara Lahtela and Sheryl Simula both getting 2nd place and the Parliamentary Procedures team getting 4th.

Cheerleading:

The 1980-81 Cheerleaders did an excellent job promoting school spirit during the year. Squad captains were Varsity: Becca Zhulkie, JV: Diane Hamarix, and Freshmen: Pam LeBlanc.

They provided fans with continuous new cheers, posters, and pep assemblies. The Varsity also choreographed their own Pom-Pom Routine to *Another One Bites the Dust.*

In August, the Varsity attended a cheerleading camp, and brought a new style of cheering to Westwood. They won white, red, and blue ribbons in the evaluations.

Congratulations to the Cheerleaders on a job well done!

Coach Capoferri had this to say about his team: "We played some good games, but made costly mistakes. The team was fired up and played great emotionally. They are all good men and a good team." Coach Zablocki had this to say: "The team did a good job this year, and I'm really proud of them." Some of the team members of the Frosh team said: "We really improved from the beginning of the year, and learned a great deal from this season." Your Girls

GIRLS' VARSITY BASKETBALL

The 1980 Girls' Varsity Basketball Team finished their season with a long list of accomplishments and a record of 17-5. At the District Tournaments in Ishpeming, they defeated Negaunee in the first game by a score of 67-43. In the District Finals, Ishpeming was beaten by a score of 67-43. In the District Finals, Ishpeming was beaten by a score of 53-42, making themselves the first girls' basketball team from Westwood to be District Champs.

The season had many bright spots that helped to make it a super all-around year for the team. On October 9, they beat Norway, the 1979 Class D State Champs, by a score of 55-50. Their victory over Negaunee was a first as was the first victory over Ishpeming on their home floor. A record was set for consecutive wins by a 10-game winning streak. But the top of the season was the District Championship which is the first ever in Westwood's history, and will set the goal for future girls' teams.

Coach Ghiardi commented about the season and the team, "This season adds up to the best I've ever had coaching. Besides having the best record ever and winning the Districts I found the girls very coachable and dedicated to achieve the very best. Everyone became very close during the season, and we really formed a strong team to work together toward the top. The attitudes and feelings of the girls made the season just as worthwhile as the winning record did. I hope this season sets the tone for a future dynasty of Westwood District Champs."

And according to our very own poet, Miss Rizzardi, "In the end, there is only one must, and that is to make ANOTHER ONE BITE THE DUST!"
